

About Iowa Community Foundations

Helping donors do
good work... **forever.**

Iowa Community Foundations are nonprofit, community corporations created by and for the people of a geographic area. We are here to help our donors make a positive impact on their community.

Three special features of Iowa Community Foundations.

One: personalized service. We make giving easy, flexible and effective, accepting a wide variety of gifts and providing donors the greatest flexibility. You can contribute cash, stocks, property, and bequests. You may establish an Unrestricted, Field of Interest, Designated or Donor Advised Fund in your name or in the name of a loved one. Your gift will gain maximum tax advantage.

Two: local expertise. Staff members have an in-depth understanding of the issues, opportunities and resources that shape your community. They monitor all areas of community need — including human services, education, the environment, healthcare, the arts and economic development. They can help you learn more about local agencies and programs that make a difference in areas you care about most.

Three: community leadership. Iowa Community Foundations invest in the long term and bring people and organizations together, convening diverse voices to address local issues and opportunities. Our business is building community.

Iowa Community foundations provide a simple, powerful, and highly personal approach to giving.

We offer a variety of giving tools to help people achieve their charitable goals. You can give cash, appreciated stocks, real estate, or other assets and receive maximum charitable and tax benefits. For more information and ideas on ways to integrate your financial planning with charitable giving, ask your financial advisor or contact your local community foundation.
